“The Board of Trustees move to spend \$30,000 to obtain architectural drawings, a design/build contract, a Scope of Work for the renovation of the existing facilities, selection of materials, and Winston-Salem Code Review for option B3.”

****Please note:** At Church Council on January 28, 2018, we will have a final vote whether or not to proceed with option B3 based on the information and pricing obtained from the architect, contractors, and the city.”
