Due to the number of children currently in the Infant and Toddler Nursery we will continue to have one nursery. When there are infant(s) in the nursery I will leave it up to the two individuals scheduled in the nursery that day to decide whether the infant(s) need to be taken to the Infant Nursery Room or to keep them in with the Toddlers. Obviously, the safety of the Infant(s) and Toddler(s) is the most important factor.

Anyone who has a conflict please swap dates with someone or let me know - 336-817-2006
