Confirmation Sunday

April 14, 2019

*Caleb Draper, our youngest confirmand this year, is a “Tiger on the Green.” Caleb “loves grass” which is why he enjoys being on the golf course. When he isn’t teeing off, he is a great student in the classroom. Caleb brings great energy to the group, even if it is a clumsy energy. (Disclosure: Caleb knows nothing about the soda stain on the carpet in the Junior High room.) Caleb will be entering middle school in the fall.

*Morgan Griffin, our “Talk a lot Bird,” enjoys many other things besides talking. She enjoys sports (especially soccer since she was “the best person on her team”), theatre, and music. She is also a wonderful big sister. When she isn’t in confirmation class, Morgan can be found watching the movie “High School Musical,” of which she will be the main character in the upcoming sequels in just a few years! Morgan will be an 8th grader this fall at Meadowlark Middle School.

*Cailin Barrett is the “Quiet Flower” among the confirmands. Most of the time, you have to make sure Cailin is still in the room for she never speaks unless she is asked a question. Either she is taking many mental notes or she’s constantly thinking about her numerous collection of ponies or her “box of dogs and cats.” Cailin will be in the 7th grade this fall at Southeast Middle School.

*Jake Greene is the “Diving Dolphin” who never ties his shoes. But, he never trips, especially when it comes to answering questions about his faith! Jake loves Starbucks coffee and playing chess. Jake is our most famous confirmand since he has his own YouTube channel. Jake will be in 8th grade at Southeast Middle School this fall.

continued on back

*Micah Draper, graduating from Confirmation “with honors,” is the “Mysterious Shark.” The measure of his success is no mystery, however as he works hard and asks tough questions. When he is not training for a 5K or watching ESPN, Micah can be found studying for school or the daunting final test for Confirmation. Micah will be in the 8th grade at Oak Grove Middle School this fall.

*Dylan Shamel, the “Test Dummy,” is competing with Cailin as the quietest confirmand. A diligent note-taker (at least that is what we assume he is doing on his phone during class), Dylan could also graduate Confirmation with honors. Dylan loves spending time in his room with his own couch, mini-fridge, and gaming system. We’re thankful that he comes out every now and then to spend time with his church family!

*Elijah Johnson, the “King of the Court” loves Confirmation just as much as he loves playing sports. Elijah is training to be the next Conor McGregor, although he wouldn’t dare use those moves on any of his brothers and sisters in Christ! When Elijah is not in Confirmation class, you might find him pondering which color will be in his hair next. Or, you might catch him at his favorite place which is Foot Locker. Elijah will be in the 7th grade at Hanes Magnet School this fall.
